**Informal Communication**

Dear Examiners Ehichioya and Alam:

I greatly appreciate your assistance at the interview yesterday, and wish to suggest the attached claim amendments as an examiner's amendment that would incorporate the key features of claims 1 and 4, in order to define patentably over the prior art, as discussed.

Please feel free to contact me if you think it would be useful. I can most reliably be reached either by phone at 301-922-2592, or via e-mail at [phil@allstarts.com](mailto:phil@allstarts.com).

Thank you,

Philip R. Krause
